

## Routing:

Chobe National Park,  
Okavango Delta  
Makgadikgadi Pans

The Best of Botswana allows the traveller to explore the Chobe National Park, the Okavango Delta and the Makgadikgadi Salt Pans over an 8 night's excursion. These regions offer different wildlife options to be viewed on game drives and boat trips in the Chobe, the stunning maze of waterways and lagoons of the Okavango Delta and the beautifully remote Makgadikgadi Salt Pan, one of the largest salt pans in the world which, during the wet season, is transformed into watery grasslands attracting an incredible array of migratory birds and animals.

HARTLEY'S SAFARIS

## Day 1:

Catch your overnight flight into Kasane airport, Botswana.

## Day 2 - 3:

### 2 nights in the Chobe National Park

Upon arrival at Kasane Airport you will be met by your guide who will transfer you by road to your lodge. Situated in the Chobe National Park, you are able to enjoy a leisurely boat cruise along the Chobe River offering a unique opportunity to observe enormous herds of elephant, puku; hippo and large crocodiles and diverse birdlife. Land game drives are available too.

## Day 4 - 5:

### 2 nights in the Delta water & land based Lodge

On day 4 after a scrumptious breakfast, you will be transferred back to the airport where you will connect with your onward flight via light aircraft to the Okavango Delta.

The vast waters of the Okavango Delta are a paradise teeming with game and birds and are home to some of the largest concentration of wildlife. Guests are offered the option of exploring the water ways and enjoying the secrets of the Delta in the dug-out mokoros, and dependant on your lodge of choice, those situated closer to the Moremi, offer diverse game drives in early morning or late afternoons.

Spacious ensuite rooms

## Perfect for:

Honeymooners / First Time Travels

Adventure / Wildlife enthusiasts

Small groups or families with  
children aged 12 and older

Individual travellers

## Day 6 - 7:

### 2 nights in a camp based in the Makgadikgadi

Today you are transferred back flown back to Maun where you will connect with your onward flight via light aircraft to the Makgadikgadi Pans in the Kalahari.

This region is home to the native Bushmen, and is also home to one of southern Africa's last surviving zebra and wildebeest migrations. The region is synonymous for its desert species such as the meerkat and the elusive brown hyena, the third rarest carnivore in the world.

Today you will be transferred back to the airstrip for your onward flight via light aircraft to Maun.

## Day 8:

Today you will be transferred back to the airstrip for your onward flight via light aircraft to Maun Airport. Here you will connect with your onward flight home.
